**WORKSHOP**

# **TERMS AND CONDITIONS**

Kindly note that : Our production work place is mainly for operation and firing only, therefore we do not conduct classes at our shop.

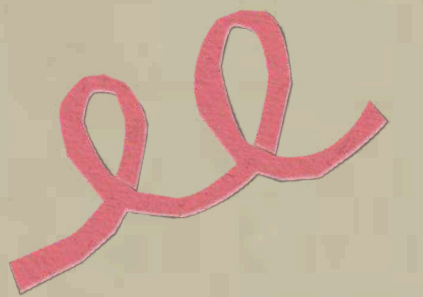

The classes will be held at the preferred location from customers and we need 1 hour preparation before conducting classes. Class will be conducted by 2-3 people from our team, we will guide you on how to paint the ceramic items.

After finishing painting, it will take up to 7-14 days for us to firing the ceramic items before posted it out to you/ we can bring the finish product to you / you can also self collect the items at our shop located in AU3, Taman Keramat Ampang Ulu Klang.
